SCRATCH PROJECTS

Year 3

Sequence and events

Five projects that make sprites move, talk and come alive.

Skills this year

- **Y3.1** Put blocks in order to make a sequence
- **Y3.2** Start scripts with the green flag or a click
- **Y3.3** Move and turn a sprite
- **Y3.4** Animate by changing costumes
- **Y3.5** Add sounds and speech bubbles
- **Y3.6** Spot and fix blocks in the wrong order

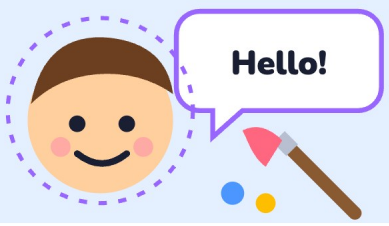

START HERE

Animated Name

Each letter of your name spins, grows or changes colour when it is clicked.

Y3.2 Y3.3 Y3.4

Extend it Give every letter its own sound.

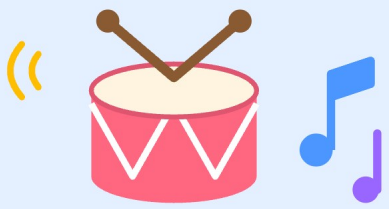

All About Me

Draw your own sprite in the paint editor, then code it to tell everyone about itself.

Y3.1 Y3.2 Y3.5

Extend it Draw a second costume so it waves as it talks.

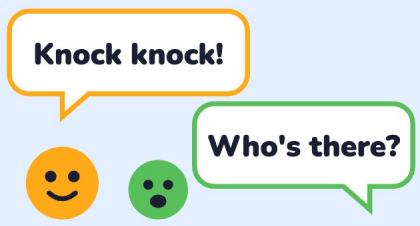

Musical Instruments

Click each instrument to hear it play and watch it wobble in time.

Y3.2 Y3.4 Y3.5

Extend it Record your own sound in the Sounds tab.

Joke Machine

Two characters tell a knock-knock joke, using waits to get the timing just right.

Y3.1 Y3.5

Extend it Add a costume change for the punchline.

Animal Walk

Make an animal walk across the stage by moving and switching costumes, then stop and say hello.

Y3.1 Y3.3 Y3.4 Y3.6

Extend it If it walks backwards, find the bug and fix it.
